### Functions:

1. Facilitate activities related to innovation, incubation, research, publication, and intellectual property rights.
2. Encourage the identification and nurturing of innovative ideas from students, teachers, and staff.
3. Provide support for the commercialization of innovations (e.g., products, systems, and technologies).
4. Promote research activities and foster a culture of academic creativity and innovation.
5. Develop and implement institutional policies to support innovation, research grants, and intellectual property rights.
6. Provide mentorship and guidance to students and faculty involved in innovative projects.
